DUFF PLUMBING ANNOUNCES

We have added another truck to our fleet expressly for the Marion, Wareham & Rochester area residents. We have had such an increase in calls that **we have decided to install a direct, toll-free "'Hot Line"** for these customers. We have **our plumber, Chet, who is a local resident** and knows the area well. He will have a well-stocked supply of plumbing needs right at hand.

Are you disappointed to find yourself waiting two days for a plumber, then have him arrive with a helper to carry the tool box, and receive a bill for two men? We pride ourselves on sending one man on service calls.

We take good care of our old customers; it is new customers we are looking for.

The Glorious Fourth

Editorial D.C.J.

There are those who are old enough to recall and young enough to glory in a day of delight. Better than Christmas, Halloween, Circus Day and Your Birthday all put together. Pennies and nickels were hoarded in glass jars and checked with tingling anticipation for this event. When it came, small wooden booths appeared in every neighborhood overflowing with a display of colorful wares. The aroma wafted from this booth was delicious - a Chinese delight. Strings of red crackers, punk, caps, cherry bombs, rockets, pin wheels, explosives of every description to be carefully chosen and carried away in one precious paper bag to last the entire day. The tangled webs of the massed crackers would be unstrung so they could be lit one by one to make them last. The noise, the sharp tang in the air was indescribable. The smoke wreathed the American flags hanging from the porches. When the last firecracker was reluctantly lit, the carbide cannon was brought into play and loaded and reloaded to boom through the late afternoon hours. Then the whole

neighborhood would gather and pool the pinwheels and the sparklers would punctuate the darkness. Now and then a lonely bang would sound. Finally, kids would stagger to bed tired beyond belief, happy beyond measure and satisfied with the celebration of the greatest day of the year.

This glorious Fourth was banned because it was dangerous. Those were the days of our innocence when parents watched their kids and people grappled with their own hazards. All I know is that it was the noisiest, the most wonder filled climax to a year's anticipation. It was the greatest, the most delicious day of days. It was the FOURTH OF JULY as it never has been since.

Whaling Museum

New Bedford's famous old Whaling Museum will operate on full summer schedule beginning Monday, June 26th.

The museum is open from 9 A.M. to 5 P.M. Monday through Saturday, and from 1 to 5 P.M. on Sunday. Some fascinating film footage of an actual whaling voyage will be shown at 10:00 A.M. and 1:00 P.M. on Monday through Saturday, and at 2:30 P.M. on Sunday.

The fully rigged, half-scale whaleship, LAGODA, the largest model in the world, is always a favorite with families who may come aboard for a voyage back in time.

The Scrimshaw, Colonial Kitchen, doll collection, rare prints and paintings, log books, models, glass and pewter are but a few of the many exhibits the visitor will enjoy.

A new gallery, generously given by Mrs. Gratia Waters, has recently opened. Dedi-

Walk-a-thon Awards

The elementary students at Rochester Memorial School again this year participated in a most successful Walk-a-Thon to benefit their school. The 170 children who walked were honored at an awards assembly at the school. All who participated received patches, and special recognition and prizes were given to students who walked the most miles, who raised the most money, and who had the greatest number of sponsors.

The top fund-raiser for the event was Chris Peters who received a cassette tape recorder as his prize. He raised $114.20 in behalf of his school. The awards were presented by Mrs. Sue Silva, a parent, who served as chairman of the Walk-a-Thon.

The annual Walk-a-Thon is sponsored by the Parent and Teacher Organization of the school. This year the event realized over $2500 for the school. In the past, such things as a piano, a sound system for the

FIFTH GRADERS HONOR MISS CUSHMAN'S RETIREMENT

On Thursday, the fifth grade students of Mrs. Tinkham, Mrs. Sundquist and Miss Elizabeth Cushman honored the latter's forthcoming retirement by a surprise luncheon held at Old Hammondtown School.

Main attraction of the beautiful luncheon array provided by the students was an "owl" cake baked by Robert Haley's mother. Knowing Miss Cushman to be an owl collector, the classes presented her with a hooked rug with an owl motif.
